

HAPPENINGS IN ILLINOIS CITIES AND TOWNS.

BELLEVILLE ELKS WIN GAME OF BALL FROM EAST ST. LOUIS

East Side Lodge Boys Have Interesting Contest at Athletic Park.

Elks from Belleville beat the East St. Louis Elks in a baseball game yesterday afternoon at Athletic Park, East St. Louis, by a score of 1 to 0. The game seemed more like a professional game, and several hundred ladies attended in addition to the usual number of "fans."

Immediately after the game, the victors were entertained by "Pike" Peyton on behalf of the Knights of the Willow baseball team. The East St. Louis team will play the St. Charles of the Trolley League next Saturday, it was stated last evening.

Although the game of yesterday afternoon was as full of errors as it was possible to get into a game of ball, it was well played, and several fairly good plays were made. Had the East St. Louis battery been given better support by the fielders, the score probably would have been reversed.

At one time a crowd surged on the field and carried Empire 100 to the refreshment pavilion, where his police was ordered. Hennessy, the electric light superintendent, was the pitcher for East St. Louis and he used all sorts of "tricks" in his delivery, which were captured by Jerry J. Kane, the beer salesman and veteran baseball player of the East Side.

"Bob" Smith of Belleville pitched one inning and his arm got "glazed." Harry Kane, who was taken by A. H. Hessler and Walter Wood "hooked up" behind the bat until Empire 100 called him back to the field.

The score by innings was:

Belleville..... 2 1 0 1 0 0 2
East St. Louis..... 0 0 0 0 0 1 0

East St. Louis Marriage Licenses.

Marriage licenses issued in East St. Louis yesterday were: to Adam J. Hudson, 22, and Henrietta Douglas, 18, both of Clarksville; Calvin Bowdy, 23, and Blanch Thomas, 18, both of East St. Louis.

HOT CHASE AFTER A NEGRO.

Police Sergeants Capture Victor Who Fleeced a Victim.

For an hour Police Sergeants Bill Mehan and Charles Molla of East St. Louis chased John Langley, a negro, in the territory bordered by Hough and Exchange avenues, and Ninth and Twelfth streets, during the hottest part of yesterday afternoon.

The negro was carrying a pistol, which he had flourished at several places and had terrorized almost the entire neighborhood. A call was made for police, and the two sergeants were sent out after him. They caught sight of the lawbreaker about a block away, but he saw them coming and the chase began. When it ended the negro was shaking from exhaustion, and the policemen were drenched with perspiration.

Hot-weather comforts as well as the necessities appear to all. Full supplies for every want, whether at home or abroad, are displayed at that comprehensive retail dry goods house, Barr's. Special values and exceedingly low prices prevail.

TRI-CITIES.

PREPARING FOR ELECTION.

New Mayor for Granite City Will Be Chosen Tuesday.

Preparations are being made for the special election to be held in Granite City Tuesday to fill the office of Mayor, made vacant by the death of Mayor John Edwards, who died during the flood.

R. E. Judd and former Mayor Julius Rosenberg will be the candidates. Judd has the labor ticket, while Rosenberg will run on the Citizens' ticket, on which he was elected his last term.

So evenly is the power of the two candidates balanced that local politicians hesitate to forecast the results. Judd, who is a druggist, was nominated over two labor candidates, and his selection, it is said, may split the labor vote.
